## SUMMER CLAY CAMPS

June 24 - August 30, 2019 | Ages 6 - 17

Join the fun this summer at The Clay Studio for week-long clay camps for ages 6 to 17! Campers expand their imaginations and explore the exciting world of clay and more. Whether working with sculpture, clay animation, or wheel-thrown pottery, students learn in a supportive and small class setting with plenty of individual instruction and inspiration from our professional teaching artists. On select weeks this summer we are partnering with Kaya Aerial Yoga, Mind Over Matter Yoga, and the Philadelphia Dance Academy in Old City to offer movement-based camps in addition to our clay camps. Every Friday parents and campers celebrate with an exhibition of works in progress, performances, and an ice cream party! Each camper receives a free camp T-shirt. Lunch includes weekly visits to Cherry Street Pier, local galleries, and historic sites.
