## SUMMER CLAY CAMPS

June 22 - August 28, 2020 | Ages 6 - 17

Join the fun this summer at The Clay Studio for week-long clay camps, for ages 6 to 17. Campers expand their imaginations and explore the exciting world of clay and more. Whether working with sculpture, clay animation, or wheel-thrown pottery, students learn in a supportive and small class setting with plenty of individual instruction and inspiration from our professional teaching artists. This year select weeks feature camps focused on other art forms including comics, collage, and movement yoga. Every Friday parents and campers celebrate with an exhibition of works in progress and an ice cream party. Each camper receives a free camp T-shirt. Lunch includes weekly visits to Cherry Street Pier, local galleries and historic sites.

## WEEK 1 • June 22 - 26

### Wheel Throwing 101

ages 9 to 12

9 am – 12 pm

**20-CC01** Make fun, functional forms on the potter's wheel. Learn to create bowls, cups, and vases as well as explore different decorating techniques to add personalized style to your work.

### Clay Story

ages 9 to 12

1 pm – 4 pm

**20-CC02** Explore the different forms you can make with handbuilding techniques and continue to build your skills throwing on the wheel as you discover the unique ways you can tell stories in clay. Examine how storytelling with ceramics has been used throughout history and draw inspiration from contemporary artists as well as your favorite books and comics in this engaging camp.

## WEEK 2 • July 6 - 10

### Claymation : Full Day Camp

9 am – 4 pm [ **20-CC03:** ages 6 to 8 | **20-CC04:** ages 9 to 12 ]

Ever wondered how movies like *Shaun the Sheep*, *Frankenweenie*, or *The Nightmare Before Christmas* were made? Learn how to create, storyboard, and animate both cutout and clay characters using the art of stop-motion animation. You'll develop storylines, direct, and supply voices for characters. After editing, each camper is emailed a link to the YouTube videos of individual work and group projects. Ages 6-8 spend half the day making clay animations and half the day making clay projects inspired by their videos and stories.

## WEEK 3 • July 13 - 17

### Clay to Table

ages 9 to 12

9 am – 12 pm

**20-CC05** Develop your wheel throwing skills by learning to make bowls, cups, plates and dishes galore! Create unique place settings for your table. Then add your individual style by decorating your forms with colorful slips, patterns, details like spouts, handles, dishes with lids, and fancy rims.

### Getting Yogi with It

ages 6 to 8

9 am – 12 pm

**20-CC27** Calling this class fun is not a stretch! Spend your morning finding your center while learning some basic yoga flows. This class is for beginners but can pose a challenge for advanced yogis. Returning parents please note, this is a new camp this summer.

### Claymation: Half Day Camp

ages 9 to 12

1 pm – 4 pm

**20-CC06** Learn how to create your own animated shorts using stop-motion techniques in the half-day version of this popular camp.

### Clay, Play, Read!

ages 6 to 8

1 pm – 4 pm

**20-CC07** Stories are the inspiration for your clay projects this week! Dive into the different worlds that books have to offer, and create everything from handbuilt magical creatures to musical instruments in this fun week of camp.

## WEEK 4 • July 20 - 24

### Spin Me Round

ages 9 to 12

9 am – 12 pm

**20-CC08** Learn the basics of working on the potter's wheel and explore how you can add drama to your forms through color, texture, and different decoration techniques. New students welcome, and it's a great opportunity for returning campers to develop their craft.

### Comics and Zines

ages 9 to 12

1 pm – 4 pm

**20-CC09** Develop your own creative process for telling a story. You learn how to create and illustrate characters, construct flipbooks, panels and layouts, and use lettering, backgrounds, and dialogue to tell your own stories.

### Teen Makers : Wheel Throwing

ages 13 to 17

1 pm – 4 pm

**20-CC10** All levels are welcome to throw down in this teen intensive. New students are guided through the fundamentals of working on the potter's wheel, and it's a great opportunity for returning campers to practice and grow their skills.
