Deadline for Greenware: Tuesday, November 2 at 10pm

(or the 8th week of your 10-week class)

- All work should be placed on the greenware shelves.
- This deadline is set so your work can be bisque fired by your last class.
- If you ARE returning for the winter, and are able to take greenware home with you, you can continue to work wet through 11/16 but we won't be bisque firing after the term ends.

Last Open Studio Day: Tuesday, November 16 at

10:00pm

The school will be closed with no studio access after the last day of the term.

Glaze Firing Schedule

- We fire the **gas kiln weekly** if there is enough glazed work to fill the kiln.
- Current gas firing dates are posted on the white board in the glaze room.
- We fire an electric kiln to cone 6 & cone 03 weekly if there is enough work to fill a kiln.

End of the Term Pick Up Dates

Fall pick up dates will be determined at the end of the term and then specific December dates and pick up times will be emailed out to students.

Two-Week Rule for Glaze & Bisqueware Pick Up

Carin will email you when all the work from fall term has been fired and we will have a two-week pick-up window in December. After that time, any remaining work will be recycled, thrown out or donated. We will not be moving fall term work to the new building. *This deadline applies to all students whether you are returning for the next term or not.* This deadline also applies to the Lost and Found.
