Deadline for Greenware: Monday, February 14 at 9:30pm

(or the 6th week of your 8-week class)

- All work should be placed on the greenware shelves.
- This deadline is set so your work can be bisque fired by your last class.
- If you ARE returning for the spring, and are able to take greenware home with you, you can continue to work wet through 02/28 but we won't be bisque firing after the term ends.

Last Open Studio Day: Monday, February 28 at 9:30pm

The school will be closed with no studio access after the last day of the term.

Glaze Firing Schedule

- We fire the gas kiln weekly if there is enough glazed work to fill the kiln.
- Current gas firing dates are posted on the white board in the glaze room.
- We fire an electric kiln to cone 6 & cone 03 weekly if there is enough work to fill a kiln.

End of the Term Pick Up Dates

Winter pick up dates will be determined at the end of the term and then specific dates and pick up times will be emailed out to students.

Two-Week Rule for Glaze & Bisqueware Pick Up

Carin will email you when all the work from winter term has been fired and we will have a two-week pick-up window. After that time, any remaining work will be recycled, thrown out or donated. We will not be moving winter term work to the new building. *This deadline applies to all students whether you are returning for the next term or not. This deadline also applies to the Lost and Found.*
